OUR BRAND
STORY

THE LITTLE BRAND WITH A BIG HEART.

We are a new clothing brand for babies made with thoughtful and stylish designs, sustainable practices and a lot of love.

You see, as parents ourselves, we adore babies, we care about moms and dads, and we really want to leave this world a better place for our children.

FRIENDLY

It's the things that we hold so close to our hearts that really make Oliver & Rain unique and special.

When it comes to our designs, we make sure they're thoughtful and practical for parents and soft and comfortable for baby.

Parent-friendly and baby-friendly!

Always.

STYLISH

We want to make sure baby is looking her best.

With nature as our playground, we find inspiration every day in the world around us. We love natural colors and playful prints with fluid lines that reflect the beauty of the earth.

Our designers work hard to create unique designs with soft sensibilities and timeless sophistication that are just right for every baby.
